

## **TECHNICAL DATA SHEET**

### **ADVANTAGE PLUS ISOLATION GOWNS**

Product Code:	APP0278 (Elastic cuff)
Colors Available:	Yellow, or Blue
Sizes Available:	Universal
Packaging:	100 gowns per case

### **Specifications**

Material: Polyethylene coated Polypropylene. By lightly coating polypropylene with a layer of polyethylene, the material has a reduced particle release and protects from water based liquids and certain chemicals.

Average Weight (g): 40 gram/m<sup>2</sup>

### **Features & Benefits**

Features: The fabric will not let water-based liquids penetrate. Lightweight yet durable, polyethylene coated polypropylene is ideal for food manufacturing, light industrial, cleanroom, and similar industries where a low particulate barrier garment is necessary.

Benefits:

- Durable and Breathable
- Low lint
- Cost effective
- Preferred material for non-hazardous work environments
