Advantage Plus Apron and Sleeves

PRODUCT AND TECHNICAL SHEET

Advantage Plus Apron

Advantage Plus aprons use polypropylene fabric with a polyethylene coating that resists water-based splashes. An overhead strap and waist ties secure the apron over work clothing. Available in white, in 28 × 36-inch and 24 × 42-inch configurations, with 100 aprons per case.

Order configurations

SKU	Option
APP0280-36	28 x 36 (inches)
APP0280-42	24 x 42 (inches)

Advantage Plus Sleeves

Advantage Plus sleeves use polypropylene fabric with a polyethylene coating that resists water-based splashes. Elastic openings at the wrist and upper arm hold each sleeve over clothing. Choose 18-inch or 20-inch lengths in white, with 200 sleeves per case.
