TECHNICAL DATA SHEET

CleanRoll Handles and Extensions

Select a standard handle or adjustable roller head to fit the roll width. The extensions add reach to a compatible head and can be disassembled for storage. Components are sold individually.

Rolls sold separately.

SPECIFICATIONS

Standard handles	Molded grip and extension-compatible base
Standard handle height	10 in (CRP0441 and CRP0442)
Roll core	1.5 in for the handles and head listed below
Cleanroom designation	CRP0441 is listed for ISO 5 (Class 100).
