Shielded Ear Loop and Tie-On Masks

PRODUCT AND TECHNICAL SHEET

Ear Loop Mask (Shielded)

A three-ply, pleated polypropylene mask with elastic ear loops and an attached clear, anti-fog eye shield. The adjustable aluminum nosepiece shapes the mask around the nose. Offered in blue or white for case orders. The combined mask-and-shield format keeps both components together in one disposable item.

Packed 25 masks per box.

Tie-On Mask (Shielded)

A disposable tie-on mask with an attached clear, anti-fog eye shield. Three-ply, pleated polypropylene forms the mask, with a flat aluminum nosepiece and two pairs of ties for fit adjustment. The shield extends above the mask across the eye area. Available in blue or white, supplied by the case.

Packed 25 masks per box.
